**Fee:** \$50

**Instructor:** Michael Patterson

**Location:** Harpswell

**Limited to 6 students**

**Deadline for registration February 16**

Weaving in its most portable form! In this day-long workshop we will learn the basic techniques of tapestry weaving using a loom created from a clementine box. Color changes, joining techniques, and yarn selection will be studied. Patterns will be supplied for class and later self-exploration.

Bring lunch and a dinner fork.

### **Wine Making**

**Date:** March 1<sup>st</sup>, 1:00 pm – 3:00 pm

**Fee:** \$55

**Instructor:** Jim Cornish

**Location:** Harpswell

**Limited to 10 students**

**Deadline for registration February 23**

In this workshop we will be making wine from frozen fruit and berries. We will be sampling blueberry, cranberry, pear, and rhubarb wines. Price includes complete starter kit.

Bring your fruit or berries. Call Jim (207-833-2884) for discussion of quantities.

### **Saw Sharpening**

**Date:** March 8<sup>th</sup>, 9:00 am – 2:00 pm

**Fee:** \$35

**Instructor:** Gerry Galuza

**Location:** Harpswell

**Limited to 8 students**

**Deadline for registration March 1**

In this workshop, participants will learn to evaluate the overall condition of a saw, and to perform proper sharpening and setting. We will be covering buck saws, bow saws, crosscut saws, rip saws, and chain saws. Bring lunch.

### **Maple Sugaring**

**Dates:** March 15 & 16, 1:00 pm – 4:00 pm

**Fee:** \$30

**Instructors:** Peg and Don Newberg, Earl Mitchell, and Penny Savage

**Location:** Harpswell and Bowdoin

**Limited to 15 students**

**Deadline for registration March 8**

The first day of this workshop will be spent at a small backyard operation, and the second day will be at local family run, commercial, award winning sugarhouse. Participants will learn how to choose trees, how many taps to use, how to tap, collect, boil, and sugar off. Syrup sampling is included!

Dress for the weather.
